by Amalfi Ice Cream & Coffee, Dirleton.**

ELCV are a posse of over 200 volunteers who help look after the countryside in East Lothian.

We look after footpaths, remove invasive plants, erect sheep fences, survey wildlife, check the ponies grazing on the laws, and yes we clean the litter off the beaches - anything to keep the countryside the way it should be!

For information on how to volunteer with ELCV groups at Yellowcraig or other sites around the county, visit www.elcv.org.uk or find us on Facebook.
